Southwestern College Professional Studies and Vatterott College

Effective Period: 5/27/15 – 5/27/18

This agreement offers students who earn a passing grade in their Associate of Occupational Science (AOS) or Associate of Applied Science (AAS) degree program courses at Vatterott Educational Centers (Vatterott) the opportunity to transfer all coursework credit hours, with the exception of courses identified by Vatterott as developmental and/or remedial, to Southwestern College Professional Studies (SWCPS). A maximum of sixty-four (64) credit hours may be applied towards a degree from SWCPS. Students must complete at a minimum sixty (60) hours of upper division course work and thirty (30) credits from SWCPS and must have at least one hundred twenty-four (124) credit hours to graduate from SWCPS. To be eligible for transfer, a Vatterott student must have earned at least a “C” or 2.0 in his/her program at Vatterott. To apply to SWCPS, a student must have completed his/her AOS or AAS degree or be within six (6) credit hours of completion of his/her program.
